# *. . . to dedicate oneself to a Goal.*

In four short years Oakville Senior High has become one of the most modern and highly rated schools in the state. In searching for our FIRST dedicatee, we sought the one person who was mainly responsible in making Oakville come into existence. Although he is no longer the principal of Oakville, Mr. Arthur C. Voerg is still very much a part of the spirit that surrounds OSH. It was Mr. Voerg who helped shape and set the traditions of our school in those first crucial years.

Mr. Voerg has been a resident of Mehlville since 1940. He graduated from Mehlville Senior High in 1948 and then went on to play two years in the minor league baseball system and served three years in the service. Mr. Voerg attended the University of Florida where he received his Bachelor of Science degree and a Master's degree in Education.

Mr. Voerg has been part of the Mehlville school system for 14 years. He began as a Science teacher at MSH in 1960, and in 1963 became head of the Science department. He was then appointed Assistant Principal of MSH in 1964; Mr. Voerg held that position for the next five years, after which he began OSH at Jefferson Barracks. Mr. Voerg remained at OSH for three years before we lost him to MSH again this past August.

We have all benefitted from the fine, dedicated work of Mr. Arthur C. Voerg, and, therefore, we would like to express our sincere gratitude to a Very Special Person by dedicating the 1974 TIGER PAW to him. Thank you for our school, Mr. Voerg!

Mr. and Mrs. Voerg came to Oakville Senior High School's 1973 Open House.

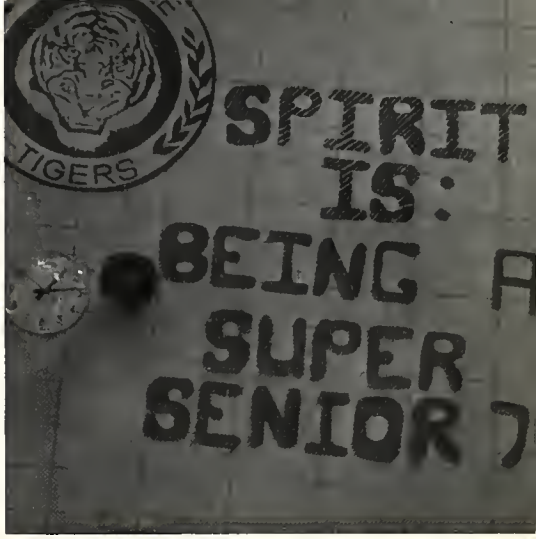
# *Kick Off Dance*

The black and gold decor spirited the student crowd on September 13 into tripping the light fantastic. Under the direction of Mr. David Baeumner, the dance was organized by the representatives of various clubs and organizations. "Elan" provided the rock sounds for the evening.

# *Spirit Week Feb. 11-15*

The traditional "Spirit Week", sponsored this year by GAA and Key Club, was climaxed by the assembly in which the winners of the wall decorations were introduced. Included were Chain Day, The Nifty Fifties, Decoration Day, Dress Up Day and Black and Gold Day. A sock hop was held after the basketball game on Sat. night by AFS.



Mr. Wiegner and Mrs. Lajcak showed the students how to "jitterbug" in between classes in the hall.

Many promised to meet at the "Malt Shop" after school!!

"Santa, you say the sweetest things!"

"Where's Santa?" Ho,ho,ho,HO!

"Don't look now, but our pictures are being taken!"

"Pass the word; this is a RAID!"

King of Hearts Rick McCloud, a Senior, leads his Queen Kathy Gallagher, a Freshmen, up the runway to be presented to the festive crowd.

A romantic setting of column candelabras, roses entwined with red and pink tulle, red azaleas, a glittering fountain bathed in illuminating red light awed the audience.

# *Valentine Festivities*

On Feb. 8, the yearbook staff presented their 4th Valentine dance with "Isaiah" providing the music for a spectacular coronation. Other clubs, Sound & Lighting, Key, Stagecraft, and students volunteered willingly to assist in this special event.

Paul Leubbers was glad that Mrs. Lajcak persuaded him to come to the dance (by a karate chop method).

# *the First Play.*

After many frustrating hours of long hard work, the set was finally finished for the opening of the first play. Many obstacles had to be overcomed since the stage was being built while the play was being planned. Mrs. Seifert's Stagecraft classes built the scenery and staged the lighting and makeup. On Nov. 30 and Dec. 1 the cast performed to nearly a full house.

# *The First Prom*

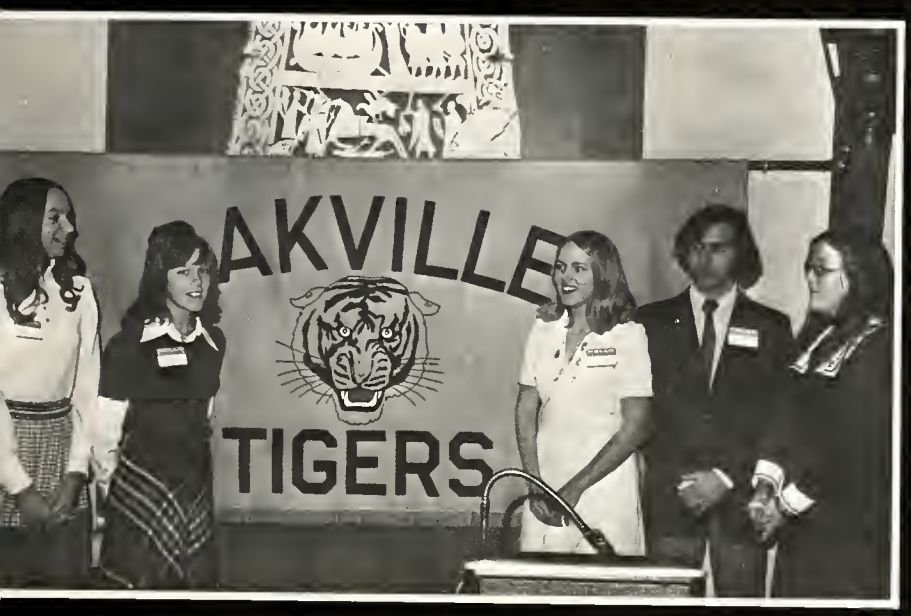
The prom committee decided on Saturday, May 25, to hold this senior event in the elegant Stouffer's Ballroom with music by "Isaiah." They planned to have a sit down dinner of either tenderloin steak or roast beef and a professional photographer from Rembrant's Studios to take pictures of the couples. Some people took advantage of the new Prom installment payment plan, as the tickets were $12.50 per person or $25 per couple. Afterwards a movie party is to be held at the Sunset Hills Cinema. A dawn swimming party is planned at the new district pool due for completion in February. Many couples are arranging for a senior picnic the following day.

AT LEFT-THE PROM COMMITTEE-STANDING: P. Luebbers, S. Dale, Mr. Slade, Sponsor. Below: J Cry, C. Cliffe, J. Cooper, D. Strebeck, P. Martin.

SEATED: Asst. Chairman, Mr. Slade, Chairman, Mr. Nold, Asst. Chairman, Mr. Schardan. STANDING: Miss Speropoulos, Mrs. Baumann, Mr. Petre, Mrs. Huxhold, Mr. Hantak, Mr. Robidoux. Absent: Mr. Bay.

# *North Central Evaluation Steering Committee*

This Steering Committee began its work in the Fall of 1973 in preparation for the North Central Evaluation scheduled to take place on December 8, 9, 10, 1974. Dr. Adolf Unruth, of St. Louis University, served as an advisor to this committee. Other faculty-student committees were, thus, formed to work on self-evaluations during the Spring of 1974. These committees included: English, Social Studies, Health Services, Food Services, Philosophy and Objectives, Student Activities, Drivers Education, Art, Instructional Media, Physical Education, Foreign Language, Mathematics, Staff and Administration, Program of Studies, School and Community, Industrial Arts, Business, Health Education, Science, Music, School Safety, Guidance Services, School Facilities, COE, and Home Economics. All gave countless hours of hard work in preparation for this tremendous undertaking for a new school.



## *Student-Administrator — Board Meeting*

After numerous preparation meetings with Mr. Jordan, Principal, a group of OSH students representing all clubs and organizations met with the administrators, guests and Board at a dinner meeting at the Viking restaurant on January 23 to present their proposals for OSH improvements. These included: overall school beautification (courtyard and grounds), activity passes, a universal weight machine, and a yearbook course. The results were to be made known late in February.

These ten senior superlatives were nominated to this honor by the faculty. The nomination was based on: scholarship, athletics, or service to the school of superior quality.

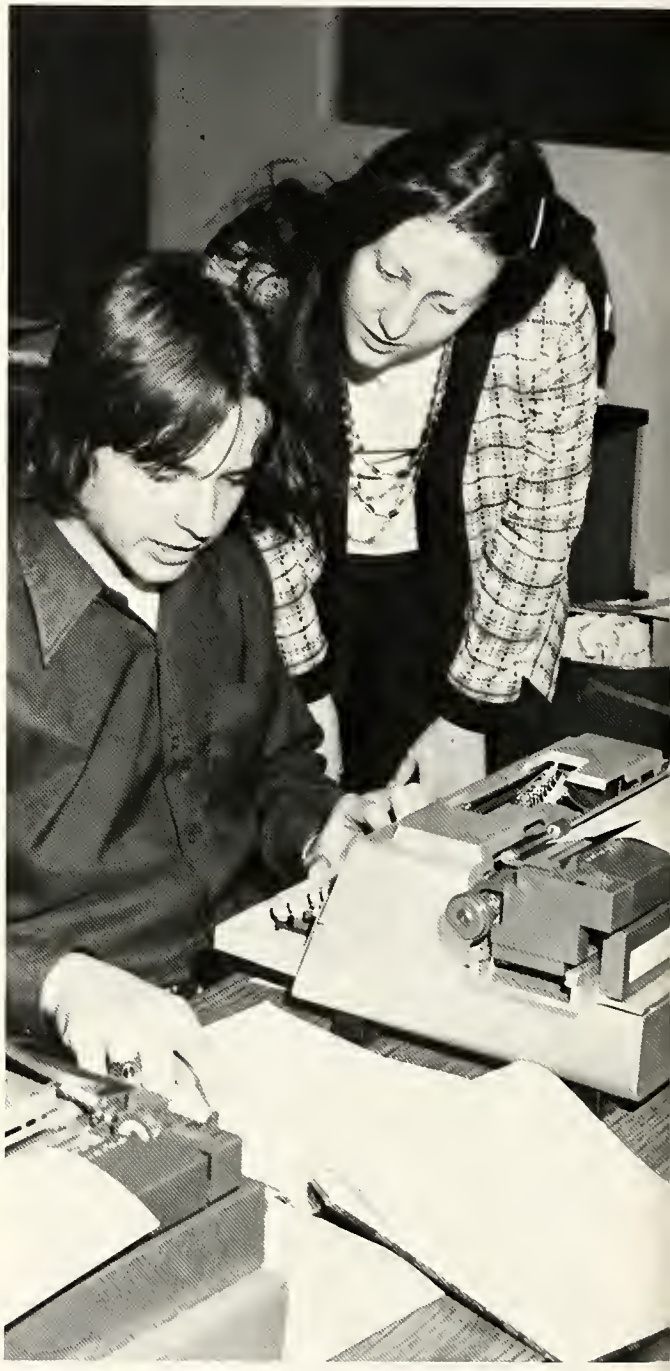
# *Business Department*

Students use the calculator in class work

. . . and in payroll problems.

Bill Seib practices typing for personal use.

With the four year school this department was initiated this year at OSH under the direction of Mrs. Dorothy Baumann. Mrs. Baumann stated that they have the latest in equipment and felt that the program was well-rounded in both vocational and personal uses.



Miss Wedberg instructs Pat Austin in Typing I.

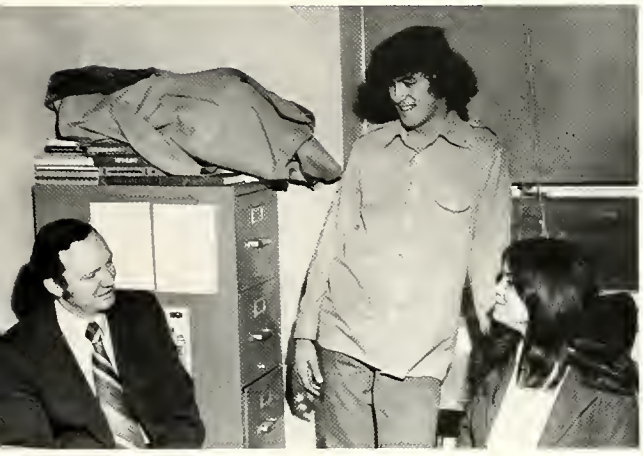
# C.O.E.

Ken Hardie is learning salesmanship at Famous-Barr store in South County.



Mr. Jones, COE supervisor, advises Joyce Cooper and Tim Schweitzer on their jobs.

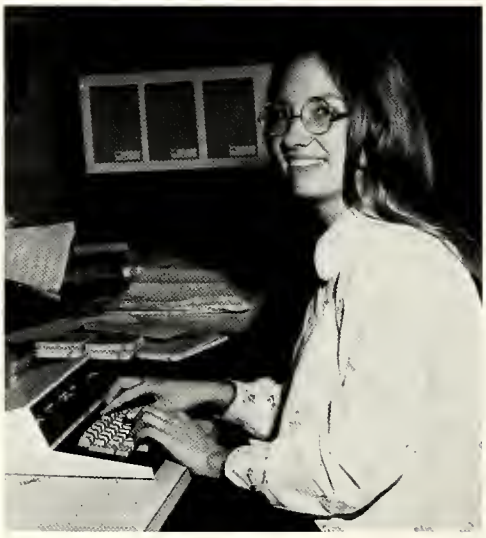
Bob Blinn works in Penney's in the stockroom.

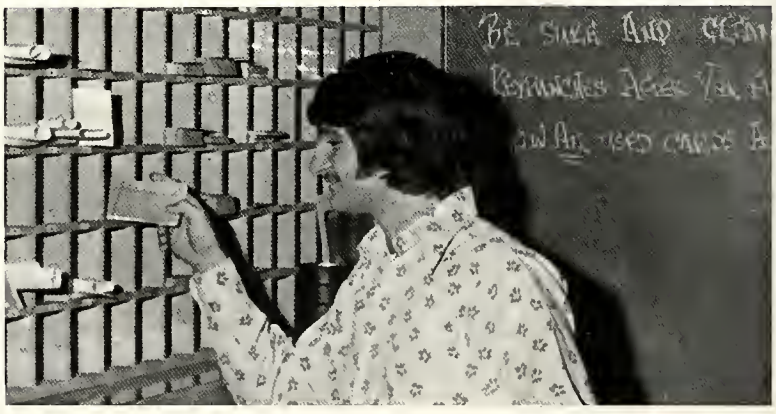
Working part of a school day and receiving pay for a job is an "on-the-job" training course offered for the first time at OSH. A large percentage of the senior class is involved in this new program.

Office techniques are practiced by Deanna McCutchen and Cinda Franke.

# *Computer Science*

Mr. Smith explains some of the problems involved with the computer to Paul Luebbers.





These classes help in assembling the cards for absentee purposes as well as for other purposes. The computer was instituted this year and has become invaluable in its many uses.

# *Drivers' Education*

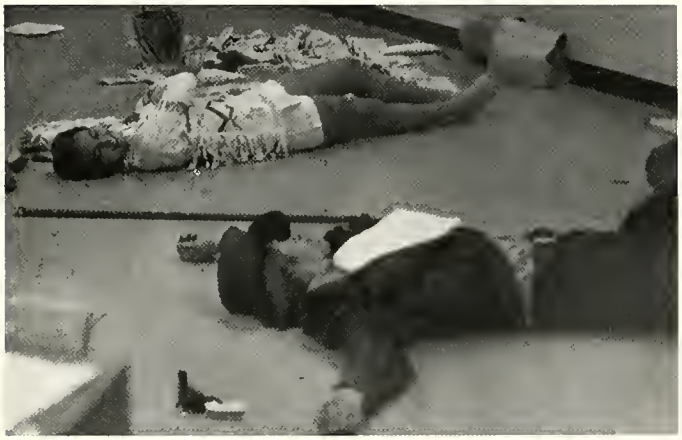
"Follow that car!"

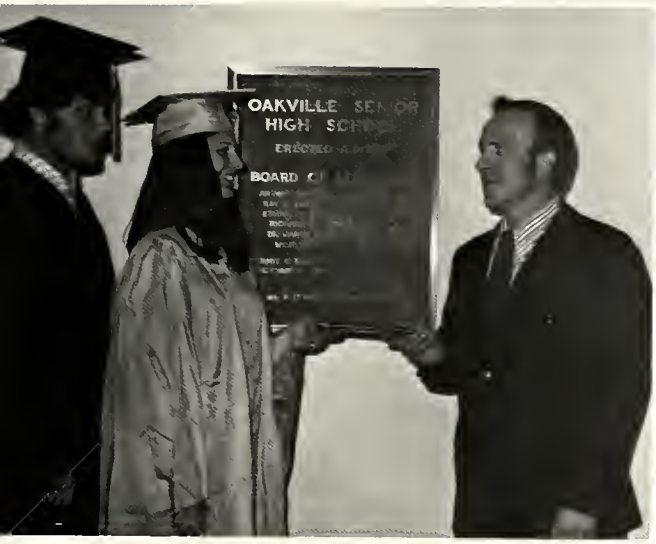
"Here we go again," exclaims Mr. Hartman, Dept. Chairman.

Driving is a privilege, not a right!

Undoubtedly, the most popular new course would be drivers education. Most students are anxious to drive properly and obtain a deduction on their their insurance. The simulators were not set up until the first of February. Many students agreed that it is a worth-while course, especially when they buy their first small car, which many plan to do because of the energy crisis.

# *All Eyes Are On OSH*





Tim Ruby and Paulette Martin rehearse with the Principal, Mr. Jordan, for the graduation ceremonies.

There has been a long struggle to reach this point in OSH's short history on June 5, from the split-school sessions year at Jefferson Barracks school to seemingly endless construction throughout the three years as the ninth grade center. All are to be commended for their efforts and sacrifices to make this FIRST GRADUATION possible.

As we walk the halls for the last time, our eyes look onward to new paths and new friends with our memories of OSH.

Majorettes Diane Lewis and Cindy Brooks

The band prepares for the half time show.

Mr. Brooks presents Mr. Kiehne with a "Tiger" mascot.

The "Awesome Threesome", (left) Jeff Jaudes, Warren Greenwalt, Ed Lockhart, surprisingly await the next signal from Mr. Kiehne, Band Director.

Not Pictured: Mr. Baeumner, Asst. Band Director

Tigers Cindy and Diane are waiting on the goal post to watch for the touchdown and extra point.

# *Tiger Experience Grows in Varsity's First Season.*

By Paul Jost

On September 21, 1973, our powerful but small Tiger squad rolled into Indian country for our first varsity game. The perfect game gave the young Tigers a triumphant 7-0 FIRST win. Throughout the season, the varsity Tigers, under Head Coach Robidoux assisted by Mr. Jennings and Abele, exhibited prime fortitude and devotion even though finishing the season with a 2-7 record. Team unity dominated throughout the season; however, individual recognition goes to Dennis Wilhelmi for offensive leadership. With the running of Dennis and the receiving of Kevin Luebbers, the offense was a constant threat for touchdowns at all times. Our defense kept our opponents hopping. The young starting lines gained much added experience in preparation for the jump into the tough Suburban South league.

## *Tiger Kickers Keep Them Hopping.*

by Paul Jost

The varsity soccer team finished an icy, fateful season of 3-5-2. The difficulties that this new born team faced left them with experience that will help them in years to come. Our offensive men, Mark Schwarztrauber and Gary Meier, were constant threats to score at anytime, while our defense consisting of John Gorman, Mark Baetje kept our opponent hopping.

# *Inexperienced Varsity Gives It All They Got.*

By Rick Watson

Starting a first year varsity team is no easy job! Coach Bob Strathman will tell you that. Two things have hampered them the most, injuries and inexperience. In the back court, they're led by Juniors Steve Noblitt and Terry Davis; Up front, there's Dave King and Denny Davis. This year they'll gain experience; next year they'll be ready to play a winning game.

## *Sophomore Basketball B-Team Puts It All Together*

by Rick Watson

With players named Gooseberry, Bambi, Airball, B.H., Ghost, Spooman, Apeman and John Boy, how can a team possibly put together a winning season? There's only one person who could answer such a question. The man who put together this wide assortment of talent, Coach Dick Sturm. On the court, this freshmen laden team is led in scoring and assists by Tom Noblitt. Under the boards where the going gets tough, there's Jim Meyer. There's only one word to describe this team: unbelieveable!

The lanky cagers of the OSH freshmen team finished with a disappointing season of 4-9. Throughout the season, performances of great effort and stamina prevailed. The best thing for the team to do is take an optimistic view and chalk it all up for experience.

## *Varsity Grapplers Battle Through Fine Season.*

by Rick Watson

With a lot of hard work and sweat the Tiger wrestlers put together a fine season. Competing with no seniors, the team was led by juniors Ron Stewart, 112 lbs., Chris Selsor, 138 lbs., Leo Impellizzeri, 155 lbs., Pat Lageman, 167 lbs. Coach John Smith is looking forward to a stronger season in '75, even though their record was 7-5.

The track and field team is facing its main problem of not just meeting other experienced teams in the area for the first time but also having more events for which to train. It will take a great deal of concentration and effort on the part of the team members to have a successful season regardless of the win/loss record.

by Paul Jost

Starting the season with an inexperienced team, Mr. Frank Hartman stated that he would be satisfied with winning half of the games scheduled. He also thought that as the season progressed so would the team. Their toughest games will be against Mehlville (top rated to go to state championship) and last year's state champions, Fox High School. Experienced players returning will be: Steve Noblitt, Dave King, Dennis Pratt-pitchers, Cary Maloney-shortstop, Terry Davis-outfielder, Al Treichel-first base and pitcher, Mike Curry-first base and pitcher, and seniors Rick McCloud-third base, Denny Davis-first base and outfielder. Some of these were on Mehliville's suburban championship team.

by Paul Jost

Presently tennis coach Dan Slenker says that he expects to win more than half of the matches scheduled for the '74 season. With seven returning lettermen they should have a good team, but Ladue and Parkway North will still be their toughest matches. As the season goes on, we should see an improvement in the team. They are scheduled for two tournaments at this writing. Mr. Slenker was meeting with possible girl candidates to enter the league next year.

Our '73 Water Polo team was composed of only two Juniors and the remainder were Sophomores and Freshmen. Only four team members had previously competed before, but the rest of the team showed real spirit and determination by working hard to meet other Saint Louis area veteran teams. Oakville's Sophomores and Freshmen often played Seniors from other schools in varsity games. Their losing record in no way indicated potential on work put into the sport. The team expects to show their ability to play and win in the upcoming season.

Hampered by lack of facilities and snow storms which resulted in three forfeits, the teams posted a 2-7 record. An above picture showed the Mehlville School District pool to be completed for September, 1974. This home pool factor should be an asset to next year's team. The team had a hard time even having their picture taken. It had to be scheduled five times because of the weather conditions and school closings.

Job Training for Lifetime Jobs.

Today's Army has jobs in more than 300 different skills, most of them immediately usable in civilian life, or easily adaptable into civilian skills. And, of course, they'll be valuable for a career in the Army.

They are taught by excellent instructors, in good schools, with the finest equipment obtainable. Army vocational courses include classroom, laboratory and/or on-the-job training in such fields as construction, transportation, communications, medical care, computers, law enforcement, languages, chemistry, nuclear power, electronics, finance, radio and TV, drafting, printing — all the jobs and trades listed.

A young man or woman can enlist for practically any of these jobs. And if he qualifies, the Army will guarantee that he gets the training of his choice, in writing.

Teacher, Administrator, and Friend

1935 — 1973

Dear Friends,

A yearbook should have a special place in everyone's life as it is crammed with pages of memories that have filled our lives this past year. It is our sincere wish that we have recorded those special events of this tradition-setting year with our first graduating class at Oakville Senior High School.

We have tried to capture the "Spirit of Freedom." A person is free to explore, grow and learn. Through this book we hope you'll experience each of these.

Each of us shall go our separate ways and soon forget some of those special times. We have tried to capture a story of freedom through pictures in which the students might forever enjoy and cherish.

There are so many people we wish to thank. A piece of your help, work, and encouragement is in these pages. We would also like to add a special thank you to Mrs. Donna Marie Łajcak, our Sponsor, and thanks to a unique, dedicated and hard-working staff.

Sincerely,

Colleen Cliffe, Editor

Paulette Martin, Asst. Editor
